Hi Don,

Please include this in the agenda of the next meeting of the board.

I noticed that District 5 Supervisor Cindy Gustafson's newsletter contained a list of District (County) positions coming up for election in 2024. So I looked through the CVPCSD website to see if there is any mention of the upcoming openings on the board. The only hint is that under the personal biographies of the board members the dates of their terms are listed, but the bios are not all complete.

I looked further for the policy that was passed over a year ago about transparency and notification to the community about upcoming board election notification, and could not find it. There is a lot of policy, and even many under "transparency" that were proposed in the past and even refer to 2020. The website and policy listings are obviously out of date, so I decided to remind you and the board about that policy as the new year begins. I also figure, in addition to following the policy, it would be much more effective to ask our Supervisor to advertise the openings in her newsletter than to ask the county to stick it in the back pages of the Auburn Journal for us.

So I am asking the board to entertain the motion to request that Supervisor Gustafson advertise the positions coming up, and to please remember to follow the policy as passed over a year ago.

Thank you Don and Directors.

Dick Warren
